

Pittsburgh stars

on Broadway

205 Pittsburghers who work in New York theater are shown in a photo taken Nov. 16, 1994, first published in the Post-Gazette Nov. 27, 1994, and re-published Nov. 16, 2004.

Those pictured are identified by hometown; failing that, by college; and failing that, by some Pittsburgh professional connection. If one index number refers to two people, the one on the left is listed first, when applicable.
