\* At the end of the last school year, Frick became part of the new International Baccalaureate school and Rogers merged with the CAPA high school; the district no longer reports numbers for Rogers and Frick individually. IB and sci-tech are new schools, so they have no enrollment numbers for 2008-09. Schenley has fewer students in 2009-10 because it's being phased out, and Vann's enrollment decline at least in part reflects the reassignment of some of its students to the university-prep school.
