Saturday, July 30 (OAKLAND)

Crowd scenes on Dithridge at the intersection with Henry St where a set is to be built in the archway beneath the Software Institute. These scenes will culminate in a large, potentially loud pyrotechnic effect. As is customary, our activity will be overseen by Pittsburgh Police and Fire departments. Appropriate notice will be given in advance of all pyrotechnic activity and pedestrian and vehicular traffic in the area will be controlled as appropriate. The above scenes may also involve gunfire.

Sunday, July 31 (OAKLAND)

Continuation of crowd scenes on Dithridge if not completed on Saturday. This may include the pyrotechnic effect. The scenes may also involve gunfire. Again, our activity will be overseen by Pittsburgh Police and Fire departments, as well as the appropriate notice given. Further crowd scenes will take place on the front steps of the Mellon Institute as well as on 5th St. Accordingly, traffic will be closed on 5th Avenue between Bellefield and Dithridge, again under the supervision of Pittsburgh P.D.

Monday, August 1 & Tuesday, August 2 (OAKLAND)

No filming activity but our equipment and vehicles will remain in the area. A large construction crane will be installed on Dithridge just South of 5th Ave. This is to enable us to light the interior of the Mellon Institute on Wednesday and Thursday.

Wednesday, August 3 & Thursday, August 4 (OAKLAND)

The majority of the filming will take place WITHIN the Mellon Institute but there will also be a few exterior scenes. One of the scenes will feature pyrotechnic effects within the building and the scenes may also involve gunfire with the appropriate notice given. 5th Avenue will technically be open to through traffic but will be subject to intermittent control throughout both days by the Police.

Tuesday, August 9 Through Thursday, August 11 (DOWNTOWN)

Oliver Ave will be closed from Wood to Grant from 8pm on Tuesday August 9th through 5am on Thursday August 11th
